

# Helping Hands Bridging Program Assistance List

## People who can help...

### **Trained Care Provider**

Our caregivers are mature women who have many years of experience caring for family members and others. They are trained by Helping Hands to provide safe, quality care to clients who require non-nursing and non-specialized care

\$21-23/hr

100 hours or less per month, \$23 per hour

101-200 hours per month, \$22 per hour

201 hours or more per month, \$21 per hour

\*there is normally a \$2/hr additional charge for a 2<sup>nd</sup> resident in their home (spouse, family member, family friend, etc)

### **Specialized Care Provider**

Specialized care requires a caregiver with specific training and more observation and monitoring of the client for signs of health concerns.

Specialized care includes but is not limited to:

- ostomy/catheter care - palliative care
- tube feeds - renal care
- diabetes care (insuline injections, etc)

\$23-25/ hr

Specialized care is charged out at an additional \$2 per hour over and above the Trained Care Provider rate

- Hourly rate reductions apply as with Trained Care Provider category

### **Special Care Aide (SCA) or**

### **Continuing Care Assistant (CCA)**

Our SCA's and CCA's have completed their professional certificates, and have extensive caregiving experience

\$30/hr

### **Licensed Practical Nurse (LPN)**

Our LPN's have completed their professional certificates, hold a license in good standing with SALPN, and have extensive caregiving experience

\$50/hr

### **Registered Nurse (RN)**

Our RN's have completed their professional diplomas, hold a license in good standing with SRNA, and have extensive caregiving experience

\$65/hr

\*Some specialized care may require staff training by an RN

## *Additional Charges:*

*In some special situations, additional charges may apply. These charges will appear on the client's invoice if they are requested and/or required.*
